

JOB DESCRIPTION

Job Coach

The Rehab Group is a charity that provides services for over 20,000 adults and children, and champions the value of diversity and inclusion for people with disabilities or disadvantage in their communities throughout Ireland and the UK.

We work with people with disabilities, people on the autism spectrum, people with mental health difficulties, people who are disadvantaged in some way in the labour market, and people who want a fresh start.

Our VISION is of a charity that champions the value of diversity and inclusion for people with a disability or disadvantage, in their communities. Together, we will constantly learn and seek to provide excellent services to foster and enhance social and economic independence.

Our MISSION is helping the people we serve to be more independent; helping them to contribute to and be more included in their communities; empowering them with the skills and confidence to be active in the workforce; and supporting them to be in charge of their health and wellness.

Our VALUES underpin all we do, shape who we are and how we work with one another, in our organisation and in the community:

Advocacy: Challenge exclusion and promote inclusion

Quality: Strive for excellence in all aspects of our work

Dignity: Respect the unique worth of every person (that includes people who access our services, families, employees and volunteers)

Justice: Act with integrity, honesty, commitment and accountability in everything we do to ensure equity, fairness and transparency

Team Work: Foster an environment that encourages change, growth, trust in our organisation and in partnership with others, working together as one Rehab team

3. **JOB DUTIES AND RESPONSIBILITIES**

Explain in not more than **eight points** the principal accountabilities that the job must achieve. Each accountability statement should explain what is being done, to what, why it must be done, the targeted performance level and how to achieve it. For example, develop and recommend (WHAT IS DONE) sales and revenue budget (TO WHAT) to meet planned growth (WHY) on annual basis by 1st January (TARGET) by understanding the external environment and internal business direction (HOW).

| Job Area (What is done, and to what, and why) | |
|--|--|
| 1. | Deliver and manage an agreed service user / customer case load as set out in the service specification and in accordance with Momentum’s processes for the contract area to enable the organization to meet its contractual obligations to support a targeted number of people into employment, and sustaining employment for the relevant contractual duration. |
| 2. | Engage with service users with a range of disabilities and disadvantages to understand their needs and aspirations to support their transition into employment opportunities. This is undertaken using Momentum’s standardized processes relating to assessment, vocational profiling, action planning and in work support mechanisms. |
| 3. | Develop and maintain positive working relationship with employers to enable job opportunities to be maximized for our service users. This includes utilising: targeted employer visits, employer work tasters, work experience placements, work shadowing, peer mentoring etc. |
| 4. | Participate in regular manager led staff supervisions and performance reviews to ensure working in collaboration with colleagues from the Momentum Skills delivery team supports the delivery of the required programme /service within the allocated area within agreed timeframes. This involves supporting the delivery of KPIs and delivery team colleagues, and working within a process of continuous improvement, |
| 5. | Ensure all aspects of contract delivery meet, as a minimum standard, Momentum’s underpinning values and principles. This includes for example: meeting performance targets for community benefit in allocated area, demonstrated commitment to Fair Work and Scottish Business Pledge, promoting inclusion within employer workplaces and commitment to continuous improvement. |
| 6. | Ensure that quality and safety is at the forefront of service provision through actively working to the established culture of innovation and continuous improvement. This will be measured inter alia, through participation in and compliance with all relevant service evaluation mechanisms applicable within service arrangements and evaluation of regulator assessment reports. This will include: completion of risk assessment for areas of responsibility; compliance with relevant safety statements; and participation in mandatory training requirements. |
